

SUB MICRO CAMERAS

Model# BTC-6

INVISIBLE NIGHT VISION
IR ILLUMINATION

For the best covert trail camera in the smallest case size, look no further than the Dark Ops cameras from Browning. These cameras feature an invisible Infrared flash to ensure game or trespassers on your property do not detect the camera while it is capturing images. The Sub Micro case size packs all the performance you would expect with 10MP picture quality, HD videos with sound, lightning fast trigger speeds, and superior battery life.
