

Lane Info

Lane info on the upper left leads you the exact direction. No more guessing which lane you need to be in to make an upcoming turn.

Make Hands-free Calls

Simply dial numbers with nüvi's touchscreen keypad to make a call. Enjoy convenient one-touch dialing for contacts and points of interest. (nüvi 2565LM/ nüvi 2465LM Only)

House Search

House Search helps you easily find destination on Garmin device, even house number can be quickly found.

Support Hindi & Indian Accent

Text-to-speech speaks street names in Indian accent

Voice guidance in Hindi & Indian English

Junction View

No more guessing which lane you need to be in to make an upcoming turn. Junction view guides you to the correct lane for an approaching turn or exit, making unfamiliar intersections and exits easy to navigate.

Highway Mode

Highway mode helps drivers know current location and shows exits by distance. It will also display highway mileage information. You won't miss any exits.

ecoRoute

The ecoRoute feature calculates your vehicle's fuel economy, carbon footprint, and the fuel price of navigating to a destination and offers tools for improving fuel efficiency. (nüvi 2565LM/ nüvi 2465LM Only)

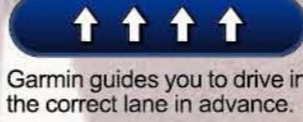

Go To Office/ Go Home

Going to office and home will be much easier. No more complicated search. With a simple click, Garmin device guides you to office or home.

Dual maps

Garmin guides you to drive in the correct lane in advance.

FREE lifetime map updates entitle you to receive up to 4 map data updates per year for Garmin nüvi 2565LM, nüvi 2465LM, nüvi 50LM, nüvi 40LM. The map updates are valid for the Indian geographic map.

Go To Office/ Go Home

Going to office and home will be much easier. No more complicated search. With a simple click, Garmin device guides you to office or home.
